

## President's Message

Chris Auer

Hello All USC members!!!

I hope everyone and their families are doing well.

At this time we all have probably concluded our 2021 breeding season and jumped directly into preparing for the upcoming shows. Things seem to be slowly getting back to more a normal situation with District meets planned for the Pageant of Pigeons and the Des Moines, Iowa along with our annual meet being held in January 2022 at the NPA Grand National in Amarillo, TX. (Entry forms for Des Moines and the Annual meet are included later in this bulletin)

On the subject of the Annual meet, this one should have more members in attendance than in the recent past, hopefully this results in more entries. The Annual club meeting will be held on Thursday at 3:30 or 4 in the Swallow Judging area. The subject of the meeting will be on how we can generate more interest in swallows, increasing membership and entries in our club meets. If you will be in attendance bring your ideas, if you won't be there feel free to email them to me and I will bring them up for you during the meeting. Saturday morning we will hold our

Reserve Champion Swallow at the National Young Bird Show, 2021- bred by: Jim Grober of Muskego WI. Photo: Perry Mueller.

club auction. So far we have multiple pairs of birds being donated by Mike Swanson, Bill Griebel and myself. Additionally, books from John Navant and a couple other items. We can always use more birds in the auction along with artwork and other pigeon paraphernalia. Although our club financials are in pretty good shape we need to continue increasing our account balance so we can implement some of the ideas that are brought up in the meeting.

At or last Annual Meeting (held in January 2020) we agreed to developing a pamphlet that we could make available at our shows or mailed to perspective members explaining a little about swallows (an example of a pamphlet is included in this bulletin). Take a look at it and give me some feedback on how it can be improved. We also agreed to updating our club patch, we should be ordering patches shortly and have them available starting with the Des Moines show.

Good bye for now, I hope to see many of you at either Des Moines or the National!!!

## Old photos submitted by Frank Bailey

These are photos from the 1930's. We are seeing a Swallow pigeon lawn show on Henry Uhl's farm near Rochester, New York. (Members of the New York Swallow Club) Photos were shared with me by Henry Uhl's great granddaughter.

Henry Uhl is sitting in the chair with his hand over his mouth

In the open caged area (Swallows perched on top)  
(Chickens on the ground)

Three Swallow fanciers eating and chatting. Henry Uhl is the elderly gentlemen sitting in the chair with his hands folded in his lap

Several men sharing their thoughts about the Swallow entries Please note: This is a very rare photo. The tall man in the photo with his signature hat is the famous "Michael" M. Frank Cook

# Seeking comments on the proposed United Swallow Club Pamphlet

## USC Mission Statement

Our club mission is to promote the breeding and exhibition of the Swallow Pigeon.

This is to be achieved through District and National meets which develops camaraderie and support amongst swallow breeders within the USA and around the world.

The Swallow Pigeon is a member of the German Color Pigeon family; originating in Germanic Europe. Swallow Pigeons come in a wide variety of colors and types:

Muffed varieties are called Silesian (non-crested wing pigeon), Fairy (crested wing pigeon) and Fullhead (Saxon swallow) Swallows

"Clean-Leg" varieties are called Thuringer wing and Thuringer Swallow pigeons
